

## Engineering Graphics and Introduction to Digital Fabrication Lab (BME01T1001)

### Continuous Evaluation Sheet

**Name of Student** :

**Enrolment No.** :

**Admission No.** :

**Batch No.** :

**Group No.** :

Sl No.	Name of Tutorial	Date of Starting	Date of Submission	Line Basics (2)	Captioning/ Dimensioning (2)	Correctness of the object (2)	Neatness/ Presentation (2)	Viva-Voca (2)	Total (10)	Sign/ remark
1	Types of lines									
2	Dimensioning									
3	Projection of Points									
4	Projection of Lines									
5	Projection of Planes									
6	Projection of Solids									
7	Multi -view Drawing									
8	Concept of Product Design- SolidWorks- Part Modeling									
9	Concept of Product Design- SolidWorks- Assembly									
10	Project based on Design for 3D printing
